PRIVACY POLICY

Investment advisers are required by law to inform their clients of their policies regarding privacy of client information. We are bound by professional standards of confidentiality that are even more stringent than those required by law. Federal law gives the customer the right to limit some but not all sharing of personal information. It also requires us to tell you how we collect, share, and protect your personal information.

TYPES OF NONPUBLIC PERSONAL INFORMATION (NPI) WE COLLECT

We collect nonpublic personal information about you that is either provided to us by you or obtained by us with your authorization. This can include but is not limited to your Social Security Number, Date of Birth, Banking Information, Financial Account Numbers and/or Balances, Sources of Income, and Credit Card Numbers or Information. When you are no longer our customer, we may continue to share your information only as described in this notice.

PARTIES TO WHOM WE DISCLOSE INFORMATION

All Investment Advisers may need to share personal information to run their everyday business. In the section below, we list the reasons that we may share your personal information:

- For everyday business purposes – such as to process your transactions, maintain your account(s), respond to court orders and legal investigations, or report to credit bureaus;
- For our marketing – to offer our products and services to you;
- For joint marketing with other financial companies;
- For our affiliates' everyday business purposes – information about your transactions and experiences and information about your creditworthiness; or
- For affiliates and non-affiliates to market to you.

If you are a new customer, we may begin sharing your information on the day you sign our agreement. When you are no longer our customer, we continue to share your information as described in this notice. However, you can contact us at any time to limit sharing.

PROTECTING THE CONFIDENTIALITY OF CURRENT AND FORMER CLIENT'S INFORMATION

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law, including computer safeguards and secured files and building.

FEDERAL LAW GIVES YOU THE RIGHT TO LIMIT SHARING – OPTING OUT

Federal law allows you the right to limit the sharing of your NPI by “opting-out” of the following: sharing for affiliates' everyday business purposes – information about your creditworthiness; or sharing with affiliates or non-affiliates who use your information to market to you. State laws and individual companies may give you additional rights to limit sharing. Please notify us immediately if you choose to opt out of these types of sharing.

Artificial Intelligence: We may utilize artificial intelligence (AI) tools internally to assist in summarizing and organizing notes from client meetings to enhance record-keeping and efficiency. These AI tools do not replace human oversight, and all notes are reviewed for accuracy and compliance with regulatory standards. Client data processed through AI remains confidential, securely stored, and is not shared with third parties unless required by law. AI is not used to make investment decisions or communicate directly with clients. Additionally, we conduct thorough due diligence upfront and ongoing assessments of our AI tools' privacy and cybersecurity protocols to ensure they meet the highest standards of security and confidentiality. If you have any questions or wish to opt out of AI-assisted note-taking, please contact Nikita Grezlik Perez at 512-256-9274.

Mobile information will not be shared with third parties/affiliates for marketing/promotional purposes. All the above categories exclude text messaging originator opt-in data and consent; this information will not be shared with or obtained from any third parties.
